Ready for more?

Thanks again for joining us!! I hope you've had a chance to enjoy the free Spy Another Day prequels I sent you. Talia's story continues with the four Spy Another Day novels!

Now you can see how Danny & Talia fell in love the first time--and get Danny's side of the story (and Talia's side of that kiss!)--in *Spy by Night*!

Spy by Night

Canada's the last place you'd expect an American spy—and the last thing CIA operative Talia Reynolds wants to find in Ottawa is romance. Aerospace engineer Danny Fluker came to Canada to start over after his last explosive relationship, so dating definitely isn't in his plans. If they can break through the barriers keeping them apart (and take care of a pesky little spy ring without Danny finding out. Details.), they just might have a chance at being happy together.

Spy Another Day Box Set

Three novels of love, lies, secrets &

spies—all Whitney Award finalists! Available as individual novels in print or e-books, or as an [e-book box set of all three novels](#).

CIA operative Talia Reynolds can do it all—except tell her boyfriend Danny Fluker about her top secret profession. Their relationship will have to grow as she digs deeper into danger and she must trust him with more and more of her heart—and more and more of the truth.

More about the books

I, SPY: For a year, CIA operative Talia Reynolds has kept her boyfriend in the dark about her real job. But when her latest target turns the tables on Danny, to save her secrets and her country, CIA operative Talia Reynolds must sacrifice the man she loves.

SPY FOR A SPY: Talia's new boss is her ex-boyfriend. And that's the just beginning of her problems. Can she keep Danny out of danger and protect her country from a danger from within?

TOMORROW WE SPY: Talia and Danny's honeymoon is cut short when the CIA calls with a special mission—for Danny. No way is Talia sending him into enemy territory alone. But now Talia's first mission with her husband could be their last.

Buy a bundle, save a bundle: the box set is >40% off individual list price!
